

abducted

THE BETRAYAL

**When you are alone amongst strangers,
who do you trust for survival?**

In the second instalment of the thrilling mystery series 'abducted', the survivors are faced with greater perils and intrigue than they could ever have imagined. Whilst one group explores the undending jungle for a way home, the others must learn the secrets behind their abduction before it is too late.

"Cambule can certainly write, but more importantly, he has something to say."
